Obtaining Your License at the Test Center

The Georgia Real Estate Commission (GREC) has contracted with PSI to administer its qualifying examinations and to provide those candidates who passed the exam with their new licenses. These licenses are issued only at the PSI Test Centers. Licensing is available Monday through Friday between 9:00 a.m. – 12:00 p.m. and 2:00 p.m. – 4:45 p.m. A candidate who takes and passes the examination during the afternoon session will be unable to license the same day.

PSI can issue licenses either “active” or “inactive” as the applicant chooses. If you desire an “Active” license, you must also bring to the test center a completed “Sponsoring Broker Statement.” (See page 22.) An “Inactive” license does not require that form.

Brokers may only obtain an Active license from PSI if he or she is affiliating with a Firm as an Associate Broker. All other Brokers will receive an Inactive license at the test center.

A Broker applying for a new Firm license must submit the “Open A Firm” application to the Commission after obtaining his or her Broker’s license at the test center.

A Broker who will become the Qualifying Broker of an existing Firm must submit the “Change of Qualifying Broker” application to the Commission after obtaining his or her Broker’s license at the test center.

REQUIRED FEES

The License Fee is $170. Payment may be made by credit card (VISA, MasterCard, American Express or Discover) OR cashier’s check or money order made payable to the Georgia Real Estate Commission (GREC).

Company checks, personal checks and cash are not accepted.

Credit card transactions that are declined will be subject to a $25 handling fee. You will be required to send a certified check or money order for the amount due, including the handling fee to cover any declined credit card transaction.

INTRODUCTION

PSI provides a range of services to the states that use the Real Estate Examination Program (REP). This booklet describes how to apply for Georgia’s real estate licensing examinations and obtain a real estate license. Be sure to keep the booklet after you have applied for the examination; you may wish to refer to it later.

The real estate examinations are developed through a combined effort of real estate experts and testing professionals. Real estate practitioners and educators write the questions. Experts in the fields of both real estate and testing review the questions to ensure that they are accurate in their content and representative of good question-writing procedures.

Representatives from states participating in the PSI Real Estate Examination Program review the questions to make certain that the content is accurate and relevant to real estate practices in their own states. Finally, all questions are revised and updated on a continual basis to reflect the current laws and practices in the changing real estate field.

The examination content outlines used to develop the examinations are based on a job analysis and expert judgment. They reflect areas of knowledge required to perform those tasks that practicing real estate brokers, salespersons, and community association managers judged to be important. Real estate experts who write questions for PSI use these content outlines as a guide. Thus, examinees are tested only on subjects judged by real estate brokers, salespersons, and community association managers as most important for beginning licensees to know.

The content outlines do not include topics, such as promotional skills, that may be helpful to success in the industry. Since the purpose of licensure testing is to protect the public interest by assuring that potential licensees understand basic legal requirements and business practices in the real estate brokerage industry, the examinations focus on the knowledge you must have and your ability to apply that knowledge to a particular situation. Similarly, the examinations include some technical language not used in your everyday conversations. You must learn that language to become a part of the profession and be able to explain its meaning to customers and clients.

STATEMENT OF NONDISCRIMINATION

PSI does not discriminate among candidates on the basis of age, gender, race, religion, national origin, disability or marital status.

**Special Arrangements for Candidates with Disabilities**

PSI is interested in ensuring that no individual with a disability is deprived of the opportunity to take the examination solely by reason of that disability. PSI will provide reasonable accommodations for candidates with disabilities.

1. Wheelchair access is available at all established Test Centers. Candidates must advise PSI at the time of registration that wheelchair access is necessary.
2. Candidates with visual, sensory or physical disabilities that would prevent them from taking the examination under standard conditions may request special accommodations and arrangements.

Please inform PSI of your need for special accommodations when calling to schedule your examination. (Please note, you must call to schedule your appointment.) Be prepared to provide documentation from an appropriate professional (e.g., education professional, physician, psychologist, psychiatrist).

Candidates requesting special accommodations will be required to submit documentation of their disability by fax or mail when they are scheduled for an examination. All special arrangements will be made on an individual basis.

**MISSED APPOINTMENTS AND FORFEITURES**

You will forfeit the application and all fees paid to take the examination under the following circumstances. A complete application and examination fee are required to reapply for the examination.

- You wish to reschedule an examination but fail to contact PSI at least two business days prior to the scheduled testing session.
- You wish to reschedule a second time.
- You appear more than 15 minutes late for an examination.
- You fail to report for an examination appointment.
- You fail to provide the identification required and are denied admittance to the examination.

**INCLEMENT WEATHER, POWER FAILURE OR EMERGENCY**

In the event of inclement weather or unforeseen emergencies on the day of an examination, PSI will determine whether circumstances warrant the cancellation, and subsequent rescheduling, of an examination. The examination will usually not be rescheduled if the Test Center personnel are able to open the Test Center.

You may visit [www.goAMP.com](http://www.goAMP.com) prior to the examination to determine if PSI has been advised that any Test Centers are closed. Every attempt is made to administer the examination as scheduled; however, should an examination be canceled at a Test Center, all scheduled candidates will receive notification following the examination regarding rescheduling or reapplication procedures.

If power to a Test Center is temporarily interrupted during an administration, your examination will be restarted where you left off and you may continue the examination.

**NO REFUNDS**

If you fail to arrive at the Test Center on the date and time you are scheduled for examination, you will not be refunded any portion of your examination fees and must reregister by contacting PSI; examination fees may NOT be transferred to another appointment.

If you arrive more than 15 minutes late for an appointment, you will not be admitted, will forfeit your examination fee, and must reregister for the examination by contacting PSI.
EXAMINATION CONTENT

To begin your preparation in an informed and organized manner, you should know what to expect from the actual examination in terms of the content. Information regarding the content of the examination you will be taking is presented in the following sections. This includes a content outline and sample questions and answers.

Salesperson and Community Association Manager Multiple-Choice Examination

The Real Estate Salesperson Examination (national and state intermixed), which consists of 152 multiple-choice questions, and the Community Association Manager Examination, which consists of 48 multiple-choice questions, are written at three different cognitive levels:

1. Recall: The ability to recall or recognize specific information is required.
2. Application: The ability to comprehend, relate or apply knowledge to new or changing situations is required.
3. Analysis: The ability to analyze and synthesize information, determine solutions and/or to evaluate the usefulness of a solution is required.

Real Estate Salesperson Examination

The Georgia Real Estate Salesperson Examination consists of two portions: (1) the National Real Estate portion and (2) the Georgia Salesperson Supplement portion. Questions will appear in random order and candidates will not be able to identify if the question is from the state or national portion.

Based on an examination outline approved by the Georgia Real Estate Commission, the National content area of the Salesperson examination tests knowledge of general real estate law, finance, and practices common to the field of real estate. The National content area of the examination is subdivided into 11 major topics and is composed of 100 multiple-choice questions that are used to compute your score. In addition to the questions used to compute your score, the questions may include five questions that are being “pretested” for use in future versions of these examinations. These pretest questions are not identified, and your answers to them do not affect your score. A detailed outline is presented on page 27.

**Real Estate Broker Examination**

The National Broker Examination is presented in simulation problem format and consists of eleven simulation problems. Nine of these problems will be used to compute your score. Two other problems are not scored and are being pretested for future examinations.

Each simulation problem will have a designated primary issue and property type. Each section within a problem will carry a secondary topic for that section. The primary issue and property type will remain consistent throughout the simulation problem, but the secondary topic can change with each section of the problem. The distribution of issues and property types is given in the Broker Simulation Examination Content Outline.

Each problem will consist of three components: Scenario, Information Gathering (IG) sections, and Decision Making (DM) sections. Each problem begins with a scenario. The scenario provides the setting and introductory client information (e.g., age, gender, presenting problem(s)).

In Information Gathering (IG) sections you are to gather all relevant information for answering the question. Read all responses before selecting the responses that you consider necessary for responding to the question. You should select all options that are appropriate at the time. If you select more or fewer answer options than are appropriate, this will adversely impact your information gathering score.

Decision Making (DM) sections provide opportunities for making judgments or decisions. These sections may be formatted in one of two ways:

1. Single Best Option – There may be more than one acceptable option, but one option is generally regarded most acceptable.
2. Multiple Options – Several options are considered appropriate. These sections address decisions in which a combination of actions is required.

In the decision making section described in 1 above, the instructions will be to “CHOOSE ONLY ONE” option. You should not assume that your response is incorrect if you are directed to make another selection. The simulation examination format sometimes uses this direction. The multiple option type of decision making described in 2 will have instructions to “SELECT AS MANY” options as are appropriate in the situation.

TAKING THE EXAMINATION

Your examination will be given by computer at a PSI Test Center. You do not need any computer experience or typing skills to take your examination. On the day of your examination appointment, report to the Test Center no later than your scheduled testing time. Look for signs indicating PSI Test Center Check-in. IF YOU ARRIVE MORE THAN 15 MINUTES AFTER THE SCHEDULED TESTING TIME, YOU WILL NOT BE ADMITTED.

Identification

To gain admission to the Test Center, you must present two forms of identification. The primary form must be government issued, current and include your name, signature and photograph. No form of temporary identification will be accepted. You will also be required to sign a roster for verification of identity.

- Examples of valid primary forms of identification are: driver’s license with photograph; state identification card with photograph; passport; military identification card with photograph.
- The secondary form of identification must display your name and signature for signature verification (e.g., credit card with signature, social security card with signature, employment/student ID card with signature).
- If your name on your registration is different than it appears on your identification, you must bring proof of your name change (e.g., marriage license, divorce decree or court order).

Security

PSI administration and security standards are designed to ensure all candidates are provided the same opportunity to demonstrate their abilities. The Test Center is continuously monitored by audio and video surveillance equipment for security purposes.

The following security procedures apply during the examination:

- Only silent, non-programmable calculators without alpha keys or printing capabilities are allowed in the testing room.
- No guests, visitors or family members are allowed in the testing room or reception areas.

Personal Belongings

No personal items, valuables, or weapons should be brought to the Test Center. Only wallets and keys are permitted. Coats must be left outside the testing room. You will be provided a soft locker to store your wallet and/or keys with you in the testing room. You will not have access to these items until after the examination is completed. Please note the following items will not be allowed in the testing room except securely locked in the soft locker.

- watches
- hats
- wallets
- keys

Once you have placed everything into the soft locker, you will be asked to pull out your pockets to ensure they are empty. If all personal items will not fit in the soft locker you will not be able to test. The site will not store or be responsible for any personal belongings.

If any personal items are observed or heard (cellular/smart phone, alarms) in the testing room after the examination is started, the administration will be forfeited.

Examination Restrictions

- Pencils will be provided during check-in.
- You will be provided with one piece of scratch paper at a time to use during the examination, unless noted on the sign-in roster for a particular candidate. You must return the scratch paper to the supervisor at the completion of testing, or you will not receive your score report.
- No documents or notes of any kind may be removed from the Test Center.
- No questions concerning the content of the examination may be asked during the examination.
- Eating, drinking or smoking is not permitted in the Test Center.
- You may take a break whenever you wish, but you will not be allowed additional time to make up for time lost during breaks.

Copyrighted Examination Questions
All examination questions are the copyrighted property of PSI. It is forbidden under federal copyright law to copy, reproduce, record, distribute or display these examination questions by any means, in whole or in part. Doing so may subject you to severe civil and criminal penalties.

Computer Login
After your identification has been confirmed, you will be directed to a testing carrel. You will be instructed on-screen to enter your Social Security number. You will take your photograph which will remain on-screen throughout your examination session. This photograph will also print on your score report.

Practice Examination
Prior to attempting the examination, you will be given the opportunity to practice taking an examination on the computer. The time you use for this practice examination is NOT counted as part of your examination time or score. When you are comfortable with the computer testing process, you may quit the practice session and begin the timed examination.

Timed Examination
Following the practice examination, you will begin the actual examination. Before beginning, instructions for taking the examination will be provided on-screen. The following time limits will be in effect for each examination.

Taking the Salesperson or Community Association Manager Examination

The computer monitors the time you spend on the examination. The examination will terminate if you exceed the time allowed. You may click on the “Time” box in the lower right portion of the screen to monitor your time. A digital clock indicates the time remaining for you to complete the examination. The Time feature may be turned off during the examination.

Only one examination question is presented at a time. The question number appears in the lower right portion of the screen. Choices of answers to the examination questions are identified as A, B, C or D. You must indicate your choice by either typing in the letter in the response box in the lower left portion of the computer screen or clicking in the option using the mouse. To change your answer, enter a different option by typing in the letter in the response box or by clicking on the option using the mouse. You may change your answer as many times as you wish during the testing time limit.

To move to the next question, click on the forward arrow (>) in the lower right portion of the screen. This action will move you forward through the examination question by question. If you wish to review any question, click the backward arrow (<) or use the left arrow key to move backward through the examination.

An examination question may be left unanswered for return later in the testing session. Questions may also be bookmarked for later review by clicking in the blank square to the right of the Time button. Click on the double arrows (>>) to advance to the next unanswered or bookmarked question on the examination. To identify all unanswered and bookmarked questions, repeatedly click on the double arrows (>>). When the examination is completed, the number of examination questions answered is reported.
If not all questions have been answered and there is time remaining, return to the examination and answer those questions. Be sure to provide an answer for each examination question before ending the examination. There is no penalty for guessing.

**Taking the Broker Examination**

Three windows appear on the screen at all times during a simulation examination (see Figure 1). The *Scenario Window* section is displayed across the top of the screen; your picture is displayed in the upper right portion of this window. Each simulation begins with a brief paragraph in this window that provides preliminary information about the situation; subsequent sections contain information about the changing situation. A scroll bar is available when necessary to view all text. Each *Scenario Window* will also provide you with specific instructions about whether to “CHOOSE ONLY ONE” response in the section or to “SELECT AS MANY” responses as appropriate to gather information.

![Figure 1. Sample computerized simulation screen layout – Three windows appear on the screen at all times during a simulation examination.](image)

The *Options Window* is displayed as the lower left portion of the screen and contains all options (choices or possible responses) from which to choose in the current section. A scroll bar is also available when necessary to view all options.

The *Simulation History Window* is displayed as the lower right portion of the screen. This window can be displayed in two formats using the button labeled “Current Section/Simulation History” located at the top of this window. When in the “Current Section” mode, the options chosen in the current section and the results for each choice are displayed in this window. When in the “Simulation History” mode, the scenarios from all previous sections as well as the options chosen and their results are displayed in the window. A scroll bar is available on the right side of this window to review previous scenarios and/or options and results.

Once you have read the scenario for each section and determined which option(s) are appropriate for selection, you can simply click the box to the left of the option to “choose” it. Immediately, the option selected and the results for that option appear in the right-hand *Simulation History Window*. After you select or “choose” an option, you cannot reconsider and “unselect” it, since the information from that option has been revealed.

In sections where you are instructed to “SELECT AS MANY” as you consider indicated, you should select all of the options believed appropriate at the time and then click the “Go To Next Section” button at the bottom left of the screen to continue to the next section. A dialog box will appear requesting that you confirm your wish to continue to the next section and warning that returning to this section to make additional choices will not be possible. By selecting “Yes,” the software automatically takes you to the next section of the simulation.

In sections where you are instructed to “CHOOSE ONLY ONE” unless directed to make another selection, you should carefully review each option and then choose the one best option. A dialog box will then appear to present the results for the choice or request that you select another response in the section.

A “Help Screen” will be accessible to you throughout the simulation examination to explain how to navigate through the examination.

**FOLLOWING THE EXAMINATION**

**How Passing Scores are Determined**

- **Multiple-Choice Examination**
  The minimum score required to pass the multiple-choice portions is determined by using a process known as the Angoff method, in which subject-matter experts estimate the difficulty of each item on the examination for the “minimally competent practitioner” (MCP). These judgments are averaged to determine the minimum passing score, which represents the amount of knowledge an MCP would likely demonstrate on the examination.

- **Simulation Examination**
  The passing score for the simulation examination is determined using a method similar to that described for multiple-choice portions. Each section in a simulation was evaluated by content experts when the problem was developed. A minimum passing level (MPL) was established for the section using the scoring weights assigned to the options in that section and represents the level of performance expected of a “minimally competent practitioner.” The overall examination has an Information
Gathering (IG) MPL and a Decision Making (DM) MPL, which represent the sums of the MPLs of all IG and DM sections on the examination.

- **Equating**
  A statistical process called equating is used to ensure consistency in the meaning of the score required to pass an examination. If the raw passing score varies slightly between different versions (or “forms”), the level of knowledge required to achieve the passing score remains the same, thus assuring that all candidates are treated fairly.

**Your Salesperson or CAM Score Report**

After you have completed the Salesperson or CAM examination, you will be instructed to report to the testing supervisor to receive your score report. Your score report will show your result for your examination and will give diagnostic scoring information for any portion you did not pass.

To pass the National Simulation Examination, you must meet or exceed the overall minimum passing level (MPL) for Information Gathering (IG) sections and meet or exceed the overall MPL for Decision Making (DM) sections. Each section, IG or DM, in a simulation was evaluated by content experts when the problem was developed. The MPL was established for the section using the scoring weights assigned to the options in that section and represents the level of performance expected of a “minimally competent practitioner.”

The overall IG MPL is the sum of the MPL for all IG sections on the examination, and the overall DM MPL is the sum of the MPL for all DM sections on the examination. The sum of your scores on all IG sections is reported as your IG total raw score, and the sum of your scores on all DM sections is reported as your DM total raw score. Your total raw scores are converted to scaled scores, and you must meet or exceed scaled scores of 70 for both IG and DM to pass this examination.

Scaled scores are reported to emphasize that although different forms of the examination may have slight differences in difficulty, the passing score for an examination is based on a consistent level of performance. Scaled scores are computed by setting the raw passing score equal to the scaled score required to pass. The scaled score is not the same as a percentage. The raw passing score may vary slightly between forms, depending on the difficulty of the items on the form; however, the scaled score required to pass (and the level of knowledge required to pass) does not change. This process is used to ensure fairness to all candidates.

**If You Pass the Examination**

If you pass the examination, you will receive a Certification of Accuracy Statement and the application information filed with PSI by your school (or you).

**DO NOT sign the Certification of Accuracy Statement** (see sample on page 25) until you apply for your license at the PSI Test Center. The Certification of Accuracy Statement MUST be signed in the presence of the Test Center staff. You will be asked to verify the application information by signing the Certification of Accuracy Statement at the PSI Test Center when you apply for a license. You apply for a license by using the unsigned Certification of Accuracy Statement and by following the instructions in the section titled HOW TO OBTAIN A LICENSE.

**If You Fail the Examination**

If you do not achieve a passing score, your score report will indicate your results, including the number correct in each content area, and reapplication instructions. To retake this examination, you will need to schedule another appointment through PSI’s Candidate Services. The examination administrator cannot schedule you for another examination. You may reapply for this examination by calling PSI at 888-818-5834 between the hours of 8:00 a.m. and 10:00 p.m. Eastern Time Monday through Thursday, 8:00 a.m. and 8:00 p.m. on Fridays, and 9:30 a.m. and 6:00 p.m. on Saturdays. You also may reapply by scheduling online at [www.goAMP.com](http://www.goAMP.com). All candidates are scheduled on a first-come, first-served basis, but you will be able to schedule another appointment within five business days from the day you contact PSI to request an examination.

**If You Are Eligible for Veteran’s Preference Points**

The score report you receive will not include veteran’s preference points. If you are an honorably discharged veteran with at least one year of active duty who served at least 90 days during wartime, you may qualify for veteran’s preference points. You should review Rule 520-1-04(3) of the Commission’s Rules and Regulations for the limits and requirements to obtain veteran’s preference. If you wish to apply for veteran’s preference points, you should mail your original score report and a copy of your DD Form 214 within 60 days to: PSI Candidate Services, 18000 W. 105th St., Olathe, KS 66061-7543. Your DD Form 214 is required to be sent in for consideration of awarding of veteran’s preference points.
If you receive sufficient veteran's preference points to pass the examination, PSI will send you a new Certification of Accuracy Statement. It will be necessary for you to return to the Test Center at which you took the examination to obtain your license at this time.

**Duplicate Certification of Accuracy Statement**

Requests for a Duplicate Certification of Accuracy Statement may be submitted to PSI in writing or may be made at the Test Center. Requests made in writing will be processed for a fee of $3.50 and must include your name, Social Security or assigned Identification number, mailing address, telephone number, date of examination and examination taken. Submit this information with the required fee payable to PSI Services Inc. in the form of a money order. Duplicate Certification of Accuracy Statements will be mailed within approximately two weeks after receipt of the request and fee. Written in requests must be submitted within one year of your examination to be processed. Requests made at the Test Center will be processed for a $15.00 fee. This payment must be made by money order payable to PSI Services Inc.

**HOW TO OBTAIN A LICENSE**

Persons who have successfully completed the real estate examination and who meet all other licensing requirements will be able to obtain a salesperson, community association manager, associate broker or inactive broker real estate license at any one of the four PSI Test Centers in the state of Georgia.

Brokers may only obtain an Active license from PSI if he or she is affiliating with a Firm as an Associate Broker. All other Brokers will receive an Inactive license at the test center.

A Broker applying for a new Firm license must submit the “Open A Firm” application to the Commission after obtaining his or her Broker's license at the test center.

A Broker who will become the Qualifying Broker of an existing Firm must submit the “Change of Qualifying Broker” application to the Commission after obtaining his or her Broker's license at the test center.

Licenses are issued on a first-come, first-served basis from 9:00 a.m. to 12:00 p.m. and 2:00 p.m. to 4:45 p.m. Monday through Friday during the regular business days for each Test Center. You may apply for a license after 2:00 p.m. on the date you pass the examination, or on a subsequent date not more than 12 months from the date you passed the examination. If you take and pass the examination during the afternoon session, you will not be able to license the same day. (The cost of the license for a Salesperson or Community Association Manager doubles if you do not obtain the license within 90 days of passing the examination. This does not apply to Broker candidates.) ANY candidate who fails to apply for the license within 12 months of passing the exam must retake the examination to qualify for licensure.

**Required Documentation and Fee**

To apply for licensure, the following information/documentation must be presented at the Test Center.

1. A valid form of photo identification and your *unsigned* Certification of Accuracy (COA) Statement complete with photograph must be presented. Acceptable forms of identification include the following:
   - A driver's license or identification card, issued by one of the United States, its commonwealths or territories.
   - A United States passport or passport card.
   - A United States military identification card.
   - A United States Permanent Resident Card or Alien Registration Receipt Card.
   - An Employment Authorization Document that contains a photograph of the bearer.
   - A tribal identification card of a federally recognized Native American tribe, provided that it contains a photograph of the bearer.
   - A passport issued by a foreign government.
   - A Certificate of Citizenship or Certificate of Naturalization issued by the United States Department of Citizenship and Immigration Services.
   - A Merchant Mariner Document or Merchant Mariner Credential issued by the United States Coast Guard.
   - A Free and Secure Trade (FAST) card.
   - A NEXUS card.
   - A Secure Electronic Network for Travelers Rapid Inspection (SENTRI) card.
   - A driver's license issued by a Canadian government authority.

You will be required to answer four questions (see YES/NO questions on page 25) and sign the COA in front of PSI Test Center personnel. The identification document and the COA will then be scanned and digitally saved to the GREC computer system. You must present valid identification and sign the Certification of Accuracy Statement at the Test Center. If you forget your Certification of Accuracy Statement, or if you have lost it, you may purchase a duplicate document at the Test Center for $15.00. Payment must be made by money order payable to PSI Services Inc.
2. A Sponsoring Broker Statement Form (page 22) signed by a broker to verify that you are to work on behalf of that brokerage Firm. Be sure that the form includes the correct brokerage Firm number – NOT the personal license number of the broker. (Do not mail this form to PSI.)

   If you do not plan to work for a brokerage Firm immediately, you may apply for an inactive license and will not be required to provide the completed Sponsoring Broker Statement form.

3. The nonrefundable license fee. The license fee is $170.00, and you have one year to apply for your license. Candidates for Salesperson or CAM licenses who apply after 90 days, but within 12 months after taking the examination, will be required to pay a fee of $340.00. Only a cashier’s check or money order (payable to the Georgia Real Estate Commission) or VISA, MasterCard, credit or debit card will be accepted. Personal checks, company checks and cash are NOT accepted. The license fee covers the licensing period from the date of licensure until the last day of your month of birth in the fourth calendar year following the year of the issuance of the license.

4. Criminal History Report: No more than 60 days prior to making application for a license approval, each applicant at his/her own expense shall obtain a certified criminal history report issued by the Georgia Crime Information Center (GCIC) of the Georgia Bureau of Investigation. You may obtain a GCIC report at most sheriff’s offices or police stations in Georgia. The report, which must be no more than 60 days old, must be attached to the application for licensure or approval. If that report indicates that the applicant has a criminal record outside of their state of residence, the Commission / Board may request that the applicant obtain, at the applicant's expense, a National Crime Information Center (NCIC) report from the Federal Bureau of Investigation. Do not obtain this report unless the Commission / Board requests you to do so.

5. Signed and Notarized Lawful Presence Affidavit
   Submit the Affidavit located on page 26.

Until you are officially licensed, you must not engage in or conduct or advertise or hold yourself out as engaging in, conducting the business of, or acting in the capacity of a real estate licensee in Georgia.

What You Will Receive

If you provide the appropriate information and fees for the license category for which you are qualified and are approved by the Commission, you will receive the appropriate certifications, which may include a 8½" x 4" wall certificate, two pocket cards and an 8½" x 11" wall certificate suitable for framing. You must provide one of the wall certificates and one of the pocket cards to the brokerage firm with which you will affiliate your license and which signed your Sponsoring Broker Statement. By law, your sponsoring brokerage firm must retain your wall certificate or a copy of your pocket card as long as you are affiliated with that firm.
Complete this application and mail it to PSI if: 1) payment is made by cashier’s check or money order or 2) you did not attend a Commission approved Real Estate School.

(a) you have been pardoned for the criminal offense;  
(b) anyone (lawyer, teacher, broker, government official, etc.) has told you that: (1) the offense is not, or is no longer 'on record', (2) the offense has been expunged from your record, or (3) you do not have to disclose the offense, (4) your civil and political rights have been restored, or (5) any similar statement that appears to suggest your 'record' has been cleared; or
