

STATE CONSTRUCTION INDUSTRY LICENSING BOARD REVIEW COURSE INFORMATION

Board Rules require applicants for conditioned air electrical and plumber license who fail the examination twice to complete a review course before taking the third examination. The review course must be conducted by a college, post-secondary technical school, or military service or by a private agency that meets the requirements of Board Rule 121-2-.06.

The following agencies have submitted information to the board describing courses that meet the board requirements. Before enrolling in a private course be sure that it meets the requirements of Board Rule 121-2-.06.

To obtain information on the courses

Contact your local state technical institute. For locations contact: Ga. Department of Technical & Adult Education 404- 679-1600 or www.dtae or Contact the following agencies:
